

We believe in the power of human creativity, innovation and imagination. Generator is a safe, inclusive, sustainable, and energetic environment which nurtures collaboration, idea exchange and the education of all those it supports.

As a member-driven space for creativity and fabrication, Generator operates an open work environment organized around six shops: rapid prototyping, electronics, jewelry, woodworking and metal working, surrounded by common build spaces, leasable studios and a Learning Lab with design workstations.

*Highlighted Success Stories:*

**Pinbox 3000, The Cardboard Teck Instantute**

Pete Talbot and Ben t. Matchstick were winners of Generator's Maker-In-Residence program in 2015. They went on to win President Obama's 2016 Maker Faire Award. The Pinbox 3000 cardboard tabletop pinball machine prototypes were made

possible through the use of the laser cutter at Generator. They have now manufactured and sold over 10,000 die-cut PinBox 3000 kits and raised over \$120,000 through crowdfunding campaigns in order to push the Pinbox 3000 to market.

**Somali Sewing Guild**

10 Somali Bantu Women participated in Generator's, Somali Sewing Guild. The women took six sewing classes underwritten by Generator and the nonprofit Champlain Valley Office of Economic Opportunity. Each woman received a sewing machine and a starter kit.

**Alixandra Barron Designs**

Alix Klein was one of the first volunteer members at Generator. She started using the laser cutter to produce her jewelry designs using recycled bicycle inner tubes. She now has 40+ wholesale accounts across the country.

*The big thing Generator's community helped me with was in finding how, as an artist, I fit into Vermont. I just love the community at Generator and would feel lonely without it and its vision.*
